

What Personal Information Does Qbucks Collect?

Your phone number.

Your location information from time to time.

Any personal information that you choose to provide such as name, email, gender.

Information about your device such as hardware information, operating system version, carrier info if available. Any information (mandatory- phone number. Optional information if user wishes to disclose- name, gender) collected from the end user is stored on servers of Qbucks only. No information collected by Qbucks from the end user will be sold/rented/shared with a third party.

Why is this information collected?

Data collected from the end user (mandatory- phone number, optional- name, gender) is stored on Qbucks Virtual Private Cloud hosted on Amazon Web Services. This data will be retained by Qbucks till the end user sends an Account Deletion Request. Your Services account will be associated with your phone number and this account will be used for all our Services that you use. Information you provide to one of our Services may be used with other Services from us that you or your friends use. We may also draw upon this Personal Information in order to adapt the Services of our community to your needs, to research the effectiveness of our network and Services, and to develop new tools for the community. The contact information you provide may be used by Qbucks to send you timely and relevant Campaigns and Rewards. By accepting this privacy policy, you give Qbucks the right to contact you by SMS or e-mail for such promotions. The stored information is gauged by our system, if the Usage comply with our existing service's Terms and Conditions then the User is provided with Points for making the subsequent Redeem. Information is used to present customized offers to the end user.

Qbucks provides you, the user, with Campaigns in various categories which are highly customized to your location.

How is My Information Shared?

Personal Information about our users is an integral part of our business. We neither rent nor sell your identifiable personal Information to anyone.

Individuals reading this information may use it or disclose it to other individuals or entities without our control and without your knowledge. We therefore urge you to think carefully about including any specific information you may deem private in comments, plans or tips or other content (location or otherwise) that you create in the Services.
